

## **Coronavirus Announcement**

Welcome to our practice! Because we love our patients and staff, Florissant Dental Care is approaching the Coronavirus (COVID-19) like any other contagious disease and are following the recommendations of the Centers for Disease Control. Our goal is to continue to ensure a safe and high-quality care environment.

To protect you and our staff we will be taking temperatures of EVERYONE who enters the office. To enter you must be 98.6 degrees or lower and respiratory symptom free.

You are welcome to come in and have a seat in the waiting room until we're ready to seat you. Or if you prefer you can wait in the car and we will call you when we're ready for you.

If you have traveled anywhere in the last 2 weeks where COVID-19 has been reported, please let us know.

If you have a fever, flu symptoms, and/or a cough we respectfully ask that you not come in and call to reschedule.

We appreciate your cooperation and support!

The Doctors and Staff of Florissant Dental Care
